a beautifully breathtaking and intensely touching story of gently patience, boundless love, and undying determination

By Shadowplay

A Conquest Like No Other is a beautifully breathtaking and intensely touching story of gently patience, boundless love, and undying determination. I can't get enough of these wonderful characters and this stunning storyline. My heart was viciously pulled apart and then slowly healed by an incredibly pure and passionate love. What I found within these pages brightened my heart and warmed my soul with a hope that you don't often see in a lifetime. This story will rock your world and open your heart to the unbelievable and the profound.

Nikki is a beautiful woman with a heart of gold that has had to endure the dark and unthinkable side of humanity. She has pulled herself out of the dark pit a little each day to the best of her ability, but she knows she still has a long way to go. She desperately wants what she had before, but that would take a miracle. When Viper enters her life, her world is tilted and she knows she will never be the same again. She is beginning to feel things she hasn't felt in a very long time, and they are both exciting and scaring her at the same time. Seeing that Viper is her best friend's brother-in-law, she knows all too well how more than friendship would complicate things between them. She will never do anything to jeopardize her relationship with her best friend Gabby, so she resolves to just stay away far away from Viper and ignore her feelings.

Unfortunately, Viper has other ideas, and he will do whatever it takes to bring Nikki back to life. Will Viper's determination and love be enough to revive Nikki's heart and breathe life into her dying soul, or will she resign herself to a life of nightmares and constant loneliness.

I have officially fallen in love with Viper and his brothers! They are such a wonderfully unique group of characters that have captured my heart and my attention. It was amazing getting to know them, and I can't wait to learn more about them and their stories. Watching Viper and Nikki get together was truly incredible, and I couldn't get enough of them. They are such a beautiful couple, and I loved how much Viper's love for her was so true and pure. It was astounding, and I hated to say goodbye to them. I hope to see them again as well as learn about Judge and Nat. That sounds like another amazing story to cherish and enjoy.

Emma Anderson is a new author to me that I am absolutely thrilled to find! Her writing has excited my heart and shaken its foundation to the core. Only a magnificent story filled with such a brilliant love can move my heart so deeply. If you are looking for a story that will touch the deepest part of your soul, then you need to check out Emma Anderson's books. I can't wait to read more stories by this fantastically talented author!

Exquisite Reviews - A Conquest Like No Other

By Exquisite Reviews

This is the first book I've read from Emma Anderson and I was worried that I would be lost since it was book two in the series... HOLY CRAP do I want more...

The premise for this book is genius and I love the twist... The story of the four horsemen has always been a source of fear for many people. Emma has found a way to humanize them and give them understanding beyond their jobs... I cannot be happier to have read this book.

The prologue for this does a great job in introducing the characters and making sure the reader can follow the story.

Nikki is a nurse who along with her BFF is kidnapped and then rescued by, Chaos, Devil, Judge, and her mate Vyper. Nikki's life has been hard and is still dealing with the nightmares from her past.

Vyper is the bad boy womanizer of the group, that after a great loss can't stand to be close to anyone for fear of losing them.

I loved these characters not only were they believable but they are memorable. I love a book where you enjoy the characters and the storyline far more than the sex. Now don't get me wrong the sex was hot but the story was better. Don't just get this copy get the first in the series Devil Takes his Innocent.
