Amish or Englisher's life!

By Kindle Customer

I would recommend these books to anyone that enjoys reading about the Amish. The first book was so heart warming it actually brought me to tears. Beginning of the book is sad but the overall view of it has an ending that made my tears worth it. The second was good. I had my doubt at first, wasn't sure I wanted to complete reading it but it truly caught my attention. Was hoping it would have gone a little further to learn of Hannah's out come but that's just the way stories are

Short stories

Like a short story. Not a novel. Not enough substance.

Not a fan

By Ann Shaw

I found these stories incredibly short, and very different from other Amish stories in respect of how the Amish do things.
