## **BY LIZZY FORD, CHLOE ADAMS PDF**

A confrontation is brewing ...

Mia realizes the aftermath of her rape is not over when she is rocked by another challenge, one that will put her publicly at odds with her father, a U.S. Senator who has made her the poster child for his re-election. But the public face he wants her to wear can't be further from who she is inside.

The latest rape victim is expected to die soon, and only Mia can identify the attackers. With pressure from the police to come forward, Mia is distraught when her father forbids her from speaking out.

She is surprised to discover new allies in her siblings, who break ranks with her father to support her. But even they have their own agenda.

Before Mia turns eighteen, she'll face the ultimate choice: betraying her family or her conscience.

Mini review: transitional and lacked the intensity of book one

By Kelli Nash

I really loved Broken Beauty, the first novella in this series; enough to buy book two. I enjoyed Broken World but it felt transitional to me, and lacked the can't-possibly-put-this-down intensity of book one. I think that this series is powerful and very well-written. I admire Adams for addressing the subject of rape, and most importantly its aftermath. I'm definitely going to keep reading this series.

Absolutely compelling book I felt Mia's Story on so many levels

By MichD

I hoped for Mia to have some peace in this book, but her story is so real and raw. Broken World was so touching and emotional because you go from Mia's trauma to her trying to cope. I love the way the story displays how there is no "just bouncing back" from being sexually assaulted. Mia showed us how those demons come for you every day and how sometimes they best you. I was so in the moment with Broken World and hurt with Mia because she was surrounded by people but so alone and I understood her feelings. I found myself wishing I could give her some of my courage and strength or even just to be there for her. Thank you Lizzy for putting a great character's voice on a strong subject and making it so that other peoples story may be heard through Mia's.

heartbreaking moments of a girl finding the strength to be a new young woman

By Michelle

I found the beauty in this story to be the honesty in the struggles and pain of the main character. Carrying such a burden of fame is a life changing event... to then carry the burden of publicity, political charged focus, lacking a solid family support system and pregnancy.... it is a truly emotional time and I give the author credit for not missing a beat of the emotional roller coaster.

There is also an extreme number of foreshadowing events towards the next book. Which I'm sure will drive me crazy for the next two months or more.

I did find something lacking in how the actual dealing with the pregnancy was written ... at times it feels cold. And detached and at no other point does the book read that way.
