Most helpful customer reviews

3 of 4 people found the following review helpful.

Difficult to extract useful information

By GB

I returned this guide, it may contain useful information , but too difficult to find. It is organized by region, not state, not city. The doctors specialities also poorly organized. I would not recommend the book version perhaps online membership more useful.

0 of 0 people found the following review helpful.

Five Stars

By Pat L

I'm an R.N. Paralegal & use this frequently to obtain medical experts

0 of 0 people found the following review helpful.

great book. wish they had more local

By Island girl

great book. wish they had more local doctors
