Not an UAE insider

By Reise-Jürgen

"Dubai ist the largest of seven Emirati (the plural is emirates) (...) ruled by an emir." Obviously none of them have ever read the first two sentences of this guide book. How can nobody recognize this very bad inaccuracy - the biggest and most important emirate by far is Abu Dhabi and the ruler is called Sheik, not Emir.

Later on there is one "Very Secret" visiting the fountain at Burj Kalifa - far away from the tourist traps. The fountain at Burj Kalifa is one of the most crowded, albeit most wonderful tourist "traps" the author warns about. Ok, I do not need these hidden "secrets"...

Great little guide if you plan on taking a trip ...

By Carol

Great little guide if you plan on taking a trip to Dubai. Covers the gamut from restaurants, bars, tours, museums, architecture and otherwise hidden gems. I do wish that there were pictures, but each tip had a link to the attraction's Facebook page, as well a map, which is incredibly useful if you're taking the book with you on your device while travelling around. Lots of stuff in here that I would have never thought to do on my own.
