Children love card tricks, and with this book by an expert in magic and card conjuring, youngsters will be able to master a host of tricks especially designed for them.

Tricks are arranged in order of difficulty, with the simplest at the beginning of the book. Clearly written, easy-to-follow instructions and over 60 helpful diagrams take aspiring magicians through each step — from preparing and manipulating the cards to developing a line of patter (a necessary ingredient for any successful performance).

Newcomers to the art of performing card tricks need no special skills — just a willingness to practice — to accomplish such astonishing stunts as finding a card under seemingly impossible conditions, causing a card to rise mysteriously from the deck, reading the spectator's mind, and 27 other mind-boggling maneuvers.

Good for adults too

By every little breeze

Actually, a little hard for ME, the adult to understand, but I am a complete beginner. This is good for your brain. And your dexterity. And your showmanship skills. Thrill the little kids with this, those who are 8+ yrs old - if younger, magic does not surprise them.

By Amazon Customer

I've done a few of the tricks listed, and followed the instructions to the T. And I still can't get the result the book says it should be.
