Five Stars

By Amazon Customer

Awesome book. Definitely keep handy in EM rotation. useful for shelf!

4 of 4 people found the following review helpful.

useful book!

By aggiegirl08

Pretest ER 3rd edition is pretty comprehensive and tests over the major topics one needs to know for ER. Some questions may be a little easier than what may be seen on the shelf exam but overall the book still gives a good base of knowledge for the test.

2 of 2 people found the following review helpful.

Very nice book

By Maheshwar C. Jani

I love the explanations. So elaborate. All different types of questions. Will cover all the bases for E-med.  
Highly recommended if you can get for cheap price.
