## **Review**

God will do amazing things through anyone who is willing to sincerely believe His Word. Reinhard Bonnke is a tremendous man of God who through his book, Even Greater, will ignite a passion to accomplish even greater things for God than can be imagined. --Joyce Meyer | best-selling author and Bible teacher

I believe that honesty requires acknowledging that Reinhard Bonnke is the most far-reaching, most dynamically penetrating international evangelist in the world. The raw statistics, not only of millions of souls brought to Christ over the past quarter century, but the thousands of churches born or dramatically expanded with surging growth, testify to the viability of my assertion. --Jack W. Hayford, Chancellor | The King's Seminary | Los Angeles, California

Reinhard Bonnke is widely thought to be one of the greatest missionary evangelists of our generation. He has witnessed miracles about which most people only dream. I am sure that each reader will be thrilled as Reinhard's new book, EVEN GREATER:12 Real Life Stories that Inspire You to Do Great Things for God, shows the greatness of our Lord. --Dr. Pat Robertson

## **About the Author**

In large parts of the world, the name Reinhard Bonnke (bon-kay) needs no introduction - his reputation goes before him, opening doors closed to most. In America we are just now becoming acquainted with impact of this ministry. His massive crusades throughout the continent of Africa in which millions attend and millions receive Christ are divine illustrations of what God can do through those who listen and obey. Bonnke is a man with a single purpose -plundering hell to populate heaven! A Blood Washed Africa On one level, the inspirational stories in Bonnke's new book, Even Greater, 12 Stories That Will Inspire You to do Great Things for God, are a testimony to the life and work of Bonnke himself. Though not the subject of this book his own life is a dramatic story of surrender, passion and hard work. Bonnke was born in Germany in 1940 and grew up facing the hardships of post-war Europe. He came to Christ at the age of nine and in 1967 God's call to the mission field took him to Lesotho, the tiny land-locked country within South Africa. There God gave him a vision, the vision of 'a blood-washed Africa' and his life was changed. He knew he must preach the Gospel wherever God led, and the ministry of Christ for all Nations was born. The Great Commission, Our Ambition Bonnke began holding evangelistic meetings with a tent accommodating 800 people. As attendance steadily increased, larger tents had to be purchased to accommodate the crowds. Finally, in 1984 he commissioned the construction of the world's largest mobile structure a tent capable of seating 34,000

people. Within two years even this huge canopy could no longer contain the crowds that were streaming to hear the Gospel. After Blantyre, Malawi the massive tent was no longer used because a crowd of 150,000 people attended this single meeting, more than four times the capacity of the tent. Over thirty years later, the Christ for all Nations team has held crusades around the world, published 178 million books in 138 languages, and trained countless leaders in Holy Spirit directed evangelism. Through their crusade work, CfaN has been directly responsible for over 34 million registered decisions for Christ in just the last three and a half years.

Even Greater by Reinhard Bonnke

By Jerryl Nyswonger

I have trouble even finding the right words to express how great and wonderful this book is. My heart is beating a little faster as I think of the stories he shared here.

It's a modern day miracle book and so increases one's faith. I have been moved to again realize how powerful the

Name of Jesus. It has drawn me into a new commitment to my Lord and I don't want to be the same.

Thank you for allowing us to share our feelings here.

God Bless,

read and pray to remember what you've read

By Terrilynn

In just the last five years I've heard about a number of miracles. And the details of what God did in people's lives have gotten hazy sometimes though with something to jog my memory I always come back to, "o, yes, that was amazing." How this evangelist is experiencing God is a gift to carry around with you inside the day as you plan or seek to hear your next step. The Holy Spirit led me to this book to give away but first to open it and...if we ask God to do even greater through us and for His glory, and we want to want what He wants, awesome awesome life is coming towards us for us and for more than we can imagine. This is what I received from Even Greater. And praise God for the vessel He has molded called Brother Bonnke for love of Africa, and for His love of each and every one of us.

Even Greater

By Roger F. Cook

This book is very inspiring. The author gives examples of the power of God to do miracles in our times. I laughed and wept and the author tells the incidents in a most creative way.
