Excellent discussion and organization

By spiglett

While you can disagree with some conclusions, this is an excellent discussion of the Age of the Earth topics. Dr Brown displays excellent scientific discipline. I wish more folks in the debate would display his discipline, which enables dialog, even if none engages it.

Walt Brown's research has presented an accurate account of creation ...

By Amazon Customer

Walt Brown's research has presented an accurate account of creation that accommodates the Biblical viewpoint. The Hydro Plate Theory presents an alternative theory compared to the mainstream in which time after time as shown to be counter intuitive.

If one is willing to consider facts as relevant to ...

By leaf stacker

If one is willing to consider facts as relevant to truth, then this exemplary scientific work of professional investigation is a landmark shift in understanding this planet's origins. Nothing else "out there" holds a candle to Walts work.
