I gotta stop buying bundles

By A reader

I bought a few Harlequin bundles & I must say, the value you get for your money is pretty hit or miss. I got one good story out of this bundle of 3 & the other 2 I probably won't read again. Just read the reviews for each individual title which is what I usually do. Unfortunately, that wasn't ver effective for me either. Lets just say that if I have to dump some titles to make more space for my ereader, this bundle would be the first to go.
