Unique and well-written recipe text

By sinbad

(I am specifically reviewing the Kindle format.)

The Kindle book is colorful and beautiful. I have tried several of the salad recipes, and found them to be straightforward (and tasty).

Glad I bought this.

Great for Busy People that want to Eat Less Meat

By Turunem

This book is a perfect blend of quick meals, vegetarian diets, and delicious recipes. The author uses her own lifestyle and cooking experience to provide the reader with easy to follow recipes that have reasonable

ingredient lists. For example the Teriyaki Silken Tofu Salad recipe only has 3 ingredients. My husband is Korean-American and with our full-time jobs and family life this book has been a wonderful addition to our recipe collection. Thank you Ms. Potter!

Great Salads!

By MichelleN

I made the Indian Yogurt Cucumber salad and it was delicious! It took less than 10 minutes and had less than 10 ingredients and it tasted like something I bought from a restaurant! I am looking forward to trying more recipes!
