Honest, helpful and hopeful advice for any parent!

By Amazon Customer

Honest, helpful and hopeful advice for any parent, not just parents with children with ADHD. Easy to follow and read.

0 of 0 people found the following review helpful.

Quick read with useful tips!

By Jennifer Griffin, author of Understanding Your Child as a Spiritual Gift

Wish there were more parents with Kac's courage to take the time required with natural solutions-imagine a world where this was the norm. Jam packed with practical tips from someone who has been there. I would have given if 5 stars, except that the formatting took a lot away from the material.
