Review

"For thirty years, Bercovitch has been our most insightful and provocative critic of American culture and literature. Our leading intellectual historian and discourse theorist, he has shattered the myths, exposed the hidden rituals, and explicated the religious and political rhetoric that have mystified millions for two centuries. These essays will again awaken his audience to the delusions of the American dream and leave some wishing they could go back to sleep.." -- Emory Elliott, Presidential Chair of English, University of California

About the Author

Sacvan Bercovitch is Carswell Professor of English at Harvard University and is currently the General Editor of the multi-volume Cambridge History of American Literature. His previous books include *The Puritan Origins of the American Self*, *The American Jeremiad*, and *The Office "The Scarlet Letter."*

Besides, this method will certainly likewise boost your life top quality.

THE RITES OF ASSENT: TRANSFORMATIONS IN THE SYMBOLIC CONSTRUCTION OF AMERICA BY SACVAN BERCOVITCH PDF

The Rites of Assent examines the cultural strategies through which "America" served as a vehicle simultaneously for diversity and cohesion, fusion and fragmentation. Taking an ethnographic, cross-cultural approach, The Rites of Assent traces the meanings and purposes of "America" back to the colonial typology of mission, and specifically (in chapters on Puritan rhetoric, Cotton Mather, Jonathan Edwards, and the movement from Revival to Revolution) to the legacy of early New England.

A masterful and highly original achievement

By M. Knapke

This is one of the most insightful books I've ever read, and it was instrumental in planning my master's thesis. I cannot possibly recommend this book, or any of Mr. Bercovitch's books, highly enough. It is also rare to read a work on this subject matter that does not have obvious political bias or an agenda.

6 of 14 people found the following review helpful.

The Most Important Study of American Culture Ever Written

By A Customer

This is probably the most important book ever written on the foundations of American Literature. It is a crucial book for any student or teacher of American Literature or American Culture.
