Could Cannabis Be the Cure to Combat PTSD? The Strains of War Is the Provoking New TRUE STORY Release by a Veteran Struggling to Cultivate a Cure and Recover from Post-Traumatic Stress Disorder. A soldier going to war knows to expect the unexpected, and R.'Doc' Gage Amsler encountered a lot of expected and unexpected trauma during his time in Kuwait, Iraq and Afghanistan working in/in support of the United States military forces. But he also stumbled upon a legendary cure hidden in the mountains along the border between Pakistan and Afghanistan – the Hindu Kush. He'd heard plenty about this mystical strain of cannabis working as a long time medic... but how much of it was true? Could this particular strain really be the salvation to PTSD? Could he cultivate it? Could he even get it home safely? Doc Gage had no doubt of the need for an effective treatment for PTSD for Vets. It's no secret that too many of those who have served their country suffer for it for the rest of their lives with flashbacks, nightmares, anxiety, a sense of detachment from loved ones, and difficulty functioning in day to day life. He knows how devastating PTSD can be because his own experiences in the military serving in combat areas have left him with PTSD. Across the US, military veterans with PTSD just aren't getting the help they need. Left to fend for themselves thorough the struggle to re-join civilian society after experiencing the horrors of war, too many find themselves marginalized, isolated and unable to hold down a job due to their PTSD symptoms. Could Gage Amsler have the cure? Could the strain of cannabis he brought back from the Hindu Kush help his fellow vets recover and return to full and rewarding lives? Powerful Plant and Personal Pain The Strains of War is about much more than a plant that can help those suffering from PTSD. This is one man's remarkable story before and after his amazing find in the mountainous border territory between Pakistan and Afghanistan. R. Gage Amsler had a troubled life before he became a medic. In fact, he joined the military to change his life because his other option seemed to be dying on the street. His roller coaster like career path also includes stints in the fire department, as a defense contractor and in the automotive-industry. His personal life has been even more chaotic. Along the way, he gained and lost many friends and divorced twice. He missed seven years of his daughter's life to the chaos. But through it all, he has been on a quest for inner peace. Follow his adventures and misadventures on the quest to develop this cannabis cure in The Strains of war.

Powerful, riveting, mind-blowing. This is a must buy! ★★★★★

By Brent Mondoux

I'm not much of a reader and usually books take me months to read. I read the book within a day and I was on the edge of my seat the entire time.

This book is powerful, riveting and mind-blowing. Jesus F\*cking Christ, how are you still alive Gage? Now I finally understand how you see everything so differently than anyone else! This is a must buy! ★★★★★

It's about time somebody gets it, and he gets ...

By Jeff Liggett

It's about time somebody gets it, and he gets it. After 10 years in the Infantry your mind needs a rest, not more pharmaceutical poison. If your debating whether or not Marijuana can help or if it is right for you, read this book.
