funny, has good moral stories

By Pearl

My 8 year old was introduced to David Williams when a friend of mine bought her Mr Stink. She likes books but is not crazy about reading. She, however, couldn't put down Mr Stink the moment she laid her hand on it. I bought the entire set of David Williams. I have never seen her read so ferociously. She finished the entire set in about 2 weeks, considering she has never read a book thicker than 200 pages before! The books are very engaging, funny, has good moral stories, and teach good lessons. Great books!

Grandmothers' Choice!!!

By Mary Helen Carroll Burke

My grandson was very happy with my choice of books for his birthday. David Walliams has just the right kind of humour for children and the stories are not too long that the children get bored. I will certainly purchase more of his books for my grandchildren. Simple and easy with Amazon!
