How did Fox Mulder become a believer?

Read this dark thriller to find out why millions of people became obsessed with The X-Files.

In the spring of 1979, seventeen-year-old Fox Mulder has bigger problems than applying for college. Five years ago, his younger sister disappeared from their home and was never heard from again. Mulder blames himself, and his mother blames his father, who has retreated into his top-secret work for the State Department. In Fox's senior year, his dad has moved him to Washington, DC away from his friends on Martha's Vineyard.

While Mulder doesn't mind the fresh start and not being known as "that kid with the missing sister," he's still obsessed with finding Samantha. So when a local boy turns up dead and another child is abducted, Mulder can't stop himself from getting involved. Could there be a link to his sister's case? As he uncovers the truth, Mulder and his friends find themselves on the trail of a serial killer.

Sucked into a world where conspiracies, the occult, and madness overlap, Fox Mulder starts to believe.

Por Que Kami, Por Que???

By Bibliophile Mom LV

Oh Kami, I'm a grown woman that read most of the "Creatures" books until it became all about Ridley and I saw 3 minutes of the Horrible "Beautiful Creatures" movie before I became enraged at how it was not like the book at all... I have also read several of Kami's short stories in sci fi books I read.

Where is this going? I'm obsessed with the X-Files. Although she does show where Mulder's obsession began, it reads like one of Kami's cheeseball teen romance books and one of the main characters is in complete contradiction with the show!!!

I'm sure all you X Files fans will notice it immediately.

And Kami ends stories with no explanation to put it all together and that was just not acceptable to me!

I've started on Devil's Advocate and feel John Maberry is not writing a cheeseball teen romance book about one of the greatest shows of all time.

Great book!

By Valerie

I honestly really enjoyed this book, though the plot can be slow moving at times. It's great to get insight to Fox Mulder and where the conspiracy started. We even get to know a bit more about X and CSM in this story. The theme of these two books centers around Beyond Beyond during spring break for both Mulder and Scully and plays a big part of these two books.

2 of 2 people found the following review helpful.

Excellent Book

By Terra19

Garcia's writing is highly readable and her story here is fast-paced and interesting.

She's clearly done her homework as this book is riddled with X-Files Easter eggs and references.

I read this book in one sitting and plan on tackling the companion volume, Devil's Advocate, later this week.

If you're an X-Files fan, you'll really enjoy this novel.
