## About the Author

There is not a day that goes by that I don't think about my dad, Harry Aleman. I was privileged to know him personally, even though many people only knew differently. Maybe they knew him as someone who was involved in a way of life that was counter to what they knew. Maybe from a distance and only made judgments like we all do when we really don't know the heart and soul of a person. But I knew the real Harry Aleman. He was my life. Though he wasn't my biological father, I felt a divine connection to him that is often difficult to describe especially to people who only saw the bad side of him. This book, "They Can't Hurt Him Anymore," is my way of sharing Harry Aleman with you. I want you to know the man, the husband and the father. As you read it, see him from my eyes and from my perspective not from history that tells a sordid tale of his activities. Know him as a man of character and pride. A man who loved and was loved. That's the real Harry Aleman.

Fascinating... riveting, heartbreaking, REAL!

By Amazon Customer

This is an outstanding book, a great read and an important look into a perspective from a daughters love. Franky Forliano is a brave woman whose journey is one for the history books!

They Truly Can't Hurt Him Anymore

By Dana

Franky Mustari Forliano I absolutely fell in love with your book. I cried so hard at the end, I felt I was living

with you and your family. I have so much respect for you. I really wish I got to meet your family especially your dad. He was such a gentleman who cared deeply for his family and would do anything in the world for you all. I'm appalled by the crooked government and how they tried to make your father look like a monster when in fact he was a loving, caring, giving, devoted, honest, trustworthy family man. Finally nobody else can hurt Harry anymore. I'm so honored to have gotten to read your book and have been waiting for it for years. It was well worth the wait. I love you so much. Everyone needs to read your book and get the truth across. You have taught me to walk proud, honor, respect, and to keep moving forward while staying positive. I know your dad taught you everything you know with class and respect, and for that I'm so grateful to have you in my life and have passed along to me. I feel like I got to know your family more and have a full understanding of how the government and others tried taking Harry down. He did what he had to do with class while being innocent.
