TO KNOW HIM: HOW INTIMACY WITH GOD CHANGES EVERYTHING BY BILLY HUMPHREY PDF

Who is God?

It's a question people have asked since the onset of Creation. And even after thirteen years in ministry, Billy Humphrey was confronted one day with the fact that he didn't really know God--not intimately, not deeply, not in the way his heart craved.

In *To Know Him* he describes his incredible journey into the knowledge of God that transformed every area of his life.

God has designed each part of our lives to teach us spiritual truths about Himself. This book offers a fresh revelation of God's heart by addressing the question "Who is God?" in marriage, in parenting, in finance, in work, and in ministry. Once you know and see God in each area of your life, it will completely and radically change the way you see the world.

Beautiful.

By Linda Margarita

Words fall short. This book is the real deal. Authentic as it gets. A breath of fresh air. This is perhaps one of the most influential books I have ever read. Honestly it's a lily among thorns. I had no idea what I was getting myself into when I read the book. The only thing I knew was that Billy Humphrey was a pastor that I had occasionally read a couple of his tweets. I knew from what I had read by him we shared a heart, zeal and love for God. When I heard of this book to say I was curious and expectant would have been an understatement. He is a brilliant writer, painting practical pictures, and stretching our minds to rethink our knowledge of God.

After reading the book I'm convinced that it stumbled into my hands as a gift from God. I believe that every word written in this book is truth. I can tell that Billy has spent countless hours in front of the Lord asking him for revelation & God has honored that pursuit. (Proverbs 25:2) (James 1:5) He uses the purest extractions & timeless truths from men of old who've sought out God in the quiet place, and have given their lives wholly to Jesus and tests all his revelations with scripture yet in humility leaves enough room to say He hasn't figured out everything concerning the unsearchable greatness of God. I have been marked by this book, and will continue to apply the content of this book in my life, future marriage, bringing up children, and being a faithful steward. This book glorifies God & I'm so very thankful to have read it. Excited to share with others! :)

What a remarkable book!

By James Sheets (Author of The Love Language of God: Loving God, God's Way)

I just finished reading Billy Humphrey's latest book, To Know Him: How Intimacy With God Changes Everything. Since I had read and enjoyed Billy's last two books I was excited to have the opportunity to read his latest. Here are my thoughts on it:

What a timely and much needed book! We [the Church world-wide in general, and here in America specifically] are in a transitional season. We are a nation whose founders used Judeo-Christian ethics as the foundation for a nation that operated on godly principles. But we aren't in Kansas anymore, Toto! Now we find ourselves in a post-modern world where much of the Church is Biblically and spiritually illiterate. The common experience of many professing to be followers of Christ falls way short of the apostolic doctrine and lifestyles represented in Scripture.

There is an old adage that says, "As goes the Church so goes the world", and sadly we are seeing the fruit of that. Because the Church whose very existence on the planet is to proclaim and demonstrate the reality of God, His Son and His Kingdom, has lost its moorings, the nation around us that we were to guide has followed suit and as a result has lost its moorings as well - spiritually, morally, politically, and financially. The future would be extremely dim if not for...God!

God is raising up a company of forerunners, who have heard the clarion call to awaken, to uncap the ancient wells, and to prepare the way for not only the return of the Lord Jesus to the planet, but also to prepare the Church at large for an unprecedented move of the spirit on a scale that has never been seen before in all of redemptive history. Billy Humphrey is one of that company, and To Know Him is a tool that will help prepare the Church for that which is right around the corner!

In To Know Him, Billy starts off by reminding us of the transcendence of God, and the beauty and desirability of the Lord Jesus Christ. And he does a magnificent job of it. But he doesn't stop there. He leads

us down the path of measurable signposts. Not only are we to say we love God, we must demonstrate it. In *To Know Him*, Billy gives us "hoops" so we can differentiate whether we are just bouncing a ball or actually playing in the game to win.

Billy takes his readers down the glory road to demonstrable passion for the Glorious Man, Christ Jesus, by illuminating the signposts that separate the lover of God "wanna-Be's" from those who authentically and demonstrably are. The signposts are: Marriage, parenting, money, and mission (service). The old adage, "The proof is in the eating" is apropos here - if you know God and love God, it will show up in how you live your life.

As I read *To Know Him: How Intimacy With God Changes Everything*, I was reminded, challenged, inspired, motivated, and equipped to press in to know, and love, Jesus deeper, more than ever before. I heartily recommend it! As you read this remarkable book, and take to heart and apply the life-transforming principles contained in it, you will never be the same again!

Impacting and provocative!

By glorigirl

Imagine my surprise when I discovered this book entitled, "To Know Him," was a book that dealt largely with marriage, family and finances. When I had finished the first four chapters I wanted to read more, but to my initial dismay, the topic changed! ...Or did it?

Don't mistake this, as I almost did, for just another book on the issues regarding family. This is truly a book about knowing God through every area of your life. Billy begins by confessing what so many in ministry will not: he does not know God, not deeply, not the way in which he desires to know Him. Our familiarity with the things of God all too often serves as our basis for believing ourselves to be well-acquainted with the depths of God, but the two are not the same. He then attempts to explain how vast and great God is. How can finite man know the infinite God? Only through revelation can we truly come to know Him. Our false perceptions are washed away by the purity of revelation regarding Who He really is. All else is lying vanity.

Billy shares that self-improvement is not the path to success in God's eyes. We need supernatural transformation. We must encounter God in all of the dimensions of our lives if we are to learn of His ways. To see how God relates as a Father to His children reveals how we should relate to ours. To see how God cherishes His Bride, His spouse, changes how we relate to our spouses. To see how God works will affect how we work and serve. To minister is to partner with God in fulfilling His dream, not our own. It is His Kingdom, not a platform for building our own kingdoms. The Bride belongs to Him, and it is the joy of His friends to prepare the Bride to be fully in love with Him, pleasing in His sight. To draw away the heart of His Bride for our own followings is to make ourselves His enemy. Our calling is much greater than only the vocation of this present life. God is the center of it all, and we exist to love, fellowship and partner with Him throughout eternity. He desires to show us His kindness forever.

This book has the potential to change your life if you will allow its truths access to the hidden man of your heart. Over and over its concepts impacted my soul like breakers crashing against the shore. May I remember and apply them in the sphere of my life, and may you, dear reader, as well. I highly recommend this book, even to those who don't want to read it! You may be amazed at what you discover if you will.

God bless you, Billy Humphrey. You are a man after God's own heart. Thank you for being a faithful friend of the Bridegroom.
