I didn't buy this book because I can't read German. Unlike the other idiotic reviewer who bought it then gave it 1 star, effectively punishing the author because they couldn't read it. Moron. Love your English works Mr Beckett.

What is going on?

By J. Anne McMahon

I could not believe it when I opened my book-it was in German! I was not going to spend 5 dollars to send it back and more then likely more postage to get the book in English. This is my first disapointment and it is an expensive one
