Out of Date and Inessential

By Nathaniel P. Madson

2014 in Amazon's title is misleading. Although printed in 2013, this book was most recently updated in 2011. The maps and neighborhood overviews are cursory at best.

0 of 0 people found the following review helpful.

A Brief introduction to a much more complex city

By Phyllis F. Perkins

If all you want is a very, very brief overview of the city, it is OK. Say, you are only going to be in Changhai for 24 or 36 hours.
